YOUR WEDDING OUR PLACE

## OUR VENUE

We are a family-owned winery and restaurant set on a stunning 230 acre property outside of Bermagui. We are proud of our venue, of our wine and of our food and will aim to ensure your special day is everything you dreamed.

Our beautiful property can be the perfect location for your outdoor wedding ceremony, while our restaurant is the ideal spot to celebrate with your loved ones above the vineyard with bushy mountain views.

Designed by famous architect Darryl Jackson and recognised by the Australian Good Food Guide with two chef's hats award, our restaurant space will provide you with the highest culinary standards of the region.

As part of our venue hire, we offer multiple locations for your ceremony, which you can work with a florist to customise. Common locations include wooden deck on the water-lily dam, amongst the vineyard or bush, in the tuscan-style courtyard, on the deck above the vineyard (good wet weather option)
